The Castle Control Board (CCB) is a Schedule 3A Public Entity established in terms of the Castle Management Act, 1993 (Act 207 of 1993). Its mandate is to preserve and protect the military and cultural heritage of the Castle of Good Hope, to optimise its tourism potential, and to optimise accessibility of the Castle of Good Hope by the public.

We are using Trend anti-virus software for 9 computers (desktop and laptop) in our offices and we are required to renew these annually. We thus require 3 x 3 packages and respectfully request that you prepare a quotation based on that.

Quotations can be emailed to finance@castleofgoodhope.co.za for the attention of Mr Derek Williams and must be accompanied by a current CSD registration confirmation (with your MAAA number on it) and a completed SBD 4 (attached)
